

Thank you for taking the time to consider supporting the Tour de Bona Vista. This is the 10th. anniversary of the Tour de Bona Vista.

This years Tour

- Will be held on Saturday June 24th

Over the past 9 years;

- 500 or more bike riders have participated in the Tour
- Over \$425,000 has been raised and has been put towards such great causes as;
 - “Cat Scan” fund of the Pembroke Regional Hospital. The Tour has provided over \$100,000 in donation towards this incredibly important piece of diagnostic equipment.
 - The Building Fund of the Pembroke Regional Hospital. The Tour has provided over \$250,000 in donations towards this very critical fund.

Some changes

Since it's inception in 1996 the Tour committee **has been run by a great team of volunteers**. They built the Tour from the ground up and last year's committee members began the process of finding a successor organization to carry on the tradition. I am proud to say that the old Tour committee selected the **Rotary Club of Pembroke** to head up the Tour de Bona Vista.

Along with the “Rotary Club of Pembroke – Tour de Bona Vista” committee, we have a new logo. The new logo is designed to represent the bike rider, the Tour, and the Rotary Club's commitment to moving forward with the Tour.

Enclosed information

You will find a DVD Power Point presentation that can be played on any computer with Windows 98 second edition or later (even if you don't have Power Point on your computer). For your convenience I have also enclosed a printed version of the same presentation.

I hope that you will join us this year to make the 10th anniversary Tour de Bona Vista another great success.

Regards,

Andrew Simms
