~ CITY NAMES NEW FIRE CHIEF ~

Mayor Ed Jacyno, speaking on behalf of City Council, announced the hiring of current City Fire Captain Rheaume Chaput to lead the municipality's Fire Department as Chief.

“We received twenty-four applications for the position,” stated the Mayor, adding proudly that, “Ray came out head and shoulders above the rest.”

Councillor Terry O'Neill, Chairman of the City's Fire Liaison Committee, indicated his delight that the position will be filled by a fully qualified Pembroke native and sixteen year veteran of the local fire service.

The new Fire Chief, who is the son of long time local residents John and Estelle Chaput, will officially take up his new post at the end of March when current Chief Frank Boucher retires after thirty-three years of service with the City.
