### **STATEMENT FROM THE MAYOR'S OFFICE**

Flags on all City buildings have been lowered to half mast as we share in the ultimate sorrow and grief by the loss of life of five exceptional soldiers from CFB Petawawa who gave their lives in the service of their country.

A book of condolence will be on display at City Hall for public signatures.

“Members of Council and the residents of the City of Pembroke share in this great loss along with the soldiers’ families and their comrades in arms,” stated Mayor Jacyno.
