

City of Pembroke Committees and Boards Descriptions

Accessibility Advisory Committee

The City of Pembroke Accessibility Advisory Committee (AAC) is legislated by the Province of Ontario under the *Ontarians with Disabilities Act, 2001* (AODA) and recommends and advises City Council on matters to improve opportunities for persons with disabilities and to provide for involvement in the identification, removal and prevention of barriers to full participation in the community. In accordance with AODA requirements, the majority of members shall be persons with a disability.

Civic Awards Committee

The City of Pembroke's Civic Awards Committee develops and oversees an awards program annually. The City recognizes and celebrates leadership, personal civic commitment and engagement in several aspects of community life. The Committee provides recommendations to Council in regards to awards for both achievement and recognition.

Community Improvement Panel

The City of Pembroke's Community Improvement Plan encourages rehabilitation initiatives and stimulates development. The plan allows the City to provide tax assistance, grants or loans to assist in the rehabilitation of lands and/or buildings within the City. The Community Improvement Panel makes recommendations to Council on all CIP applications following program guidelines.

Emergency Management Program Committee

The committee guides and oversees the development, implementation, and maintenance of the City of Pembroke's Emergency Management Program. The Committee recommends to Council for approval an Emergency Plan to provide the City with a strategy to protect the health, safety, welfare, environment and economic strength of residents, businesses and visitors to Pembroke in accordance with the Emergency Management and Civil Protection Act and its Regulations.

Ottawa River Energy Solutions (ORES)

The Ottawa River Energy Solutions (ORES) Board of Directors is responsible for overseeing the management of the business. It is an established energy and technology services provider that offers a range of services utilizing fibre optic networks, electrical distribution expertise and business relationships to serve a wide range of commercial and residential customers, as well as many municipal and provincial organizations. More information is available at www.orenergysolutions.com.

Ottawa River Power Corporation (ORPC)

The Ottawa River Power Corporation Board of Directors is responsible for overseeing the management of the business and affairs of the Corporation. The Board governs itself in accordance with the standards of care set out in the Business Corporations Act (Ontario) and the requirements of the Ontario Energy Board Act, 1998. The Board of

Directors is appointed by the four Shareholders including the City of Pembroke. More information is available at www.orpowercorp.com.

Pembroke & Area Airport Commission

The Pembroke and Area Airport oversees the operations of the airport including various services. The airport is owned jointly by seven area municipalities including the City of Pembroke. More information is available at www.flycyta.ca.

Pembroke Beautification and Climate Action Committee

The Pembroke Beautification and Climate Action Committee provides advice and recommendations to Council on matters related to beautification throughout the City as well as the protection, maintenance and awareness of the environment including issues related to climate change. Committee members are expected to have an interest in developing and supporting beautification and environmental sustainability throughout the City for the protection and enjoyment of the residents and visitors.

Pembroke Economic Development Advisory Committee (PEDAC)

The Pembroke Economic Development Advisory Committee supports the promotion of economic prosperity within the City of Pembroke by primarily advising the Planning and Development Committee of Council in the following areas:

- Developing and implementing an economic development strategy and plan;
- Coordination of economic development with other organizations;
- Advising the Planning and Development Committee on marketing and branding strategies to attract investment and promote local business opportunities;
- Communicating Pembroke's vision for economic development to the community.

Pembroke Heritage Murals Committee

The Pembroke Heritage Murals© Committee has been comprised of volunteers since its inception in 1989. It is an arm's length committee of Pembroke Council and the Cultural Trustees of Pembroke's Public Art Project, often referred to as Pembroke's Outdoor Art Gallery. In order to own the copyright of each mural, the Committee conducts its own planning and research for every mural. The artist always owns the Moral Rights to their work; however, they sign a contract that gives the Committee ownership as it relates to maintenance and repair of the murals and the production of souvenirs. Maintenance and repair of the murals is the primary focus in order to maintain the significant investment of money and time over the decades. The Committee works with property owners, professional artists, local businesses, contractors and many of the City's Departments through each year in order to accomplish the goal of keeping mural sites attractive for residents and visitors alike.

Pembroke Police Services Board

The City of Pembroke has a contract with the Ontario Provincial Police (OPP) to provide for adequate and effective policing. The Board is legislated to set policies and objectives, and evaluate organizational performance.

Pembroke Public Library Board

With literacy and intellectual freedom as core principles, the purpose of the Pembroke Public Library Board is to set a strategic framework within which it can manage and control the provision of a comprehensive and efficient public library service. The Board operates in accordance with the Ontario Public Libraries and all applicable legislation and Board policies.

Pembroke Tourism Advisory Committee (PTAC)

Comprised primarily of tourism operators, including from the culinary, hospitality, cultural, travel, sport, accommodation, and events sectors, the Pembroke Tourism Advisory Committee will provide advice and recommendations to the Planning and Development Committee of Council on matters relating to the attraction of visitors and development of the local tourism sector. Members advise on the coordination of tourism strategies and initiatives, tourism marketing and branding strategies, and future tourism enhancements.

Planning Advisory Adjustment Committee/Property Standards Committee

The Planning Advisory Adjustment Committee/Property Standards Committee is delegated by the Council of the City of Pembroke under the provisions of the Ontario Planning Act to hold public hearings to make decisions on applications submitted to the City's Planning and Building and By-law Department for minor variances and severances and provides recommendations on rezoning applications and Official Plan amendments. The Property Standards Committee is delegated by the Council of the City of Pembroke under the provisions of the Ontario Building Code Act to hear appeals on property standards orders that had been issued on City properties.

Waste Management Public Liaison Committee

Each municipal partner, including the City of Pembroke, appoints a member from the public who will liaise with other residents from their municipality on matters related to the Ottawa Valley Waste Recovery Centre.

Waterfront Planning and Advisory Committee

The Waterfront Planning and Advisory Committee provides advice and recommendations to Council's Parks and Recreation Committee and through it to other committees as appropriate on matters related to parkland development and maintenance along the Ottawa and Muskrat Rivers from Riverside to Pansy Patch parks as requested by Committee.
